File No. BFRECT-20050120ATK**

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, this letter serves as notice that on January 18, 2006, a meeting was held with Commissioner Deborah Taylor Tate and Andrew Long, and Preston Padden and Susan Fox, both of the The Walt Disney Company.

During the meeting, Mr. Padden and Ms. Fox briefed Commissioner Tate and Mr. Long regarding Emergency Request for Waiver filed last summer by WABC, which requests waiver of the interference standard used during the first round of DTV interference conflicts. In addition to reiterating the points made in WABC's emergency waiver (including that the predicted interference to WNJB occurs largely in areas of New York where WNJB does not currently provide service), Mr. Padden and Ms. Fox also stressed that co-location of WNJB's facilities on the Empire State Building is not feasible.

Respectfully submitted,

Susan L. Fox  
Vice President, Government Relations
